

Isaiah Nelson - U21, 3X US Junior National Champion 2020 (SG, SL, & Combo)

YOUR TRAINING GROUND: MT. HOOD, OREGON'S TALLEST PEAK

Towering over the Columbia River Gorge and Lake Trillium, Mt. Hood defines the Cascade Range's extraordinary "big sky".

You'll ski the prominent Palmer Snow Field, picked for its superb conditions, safety, and long daylight hours at this time of year. In fact, your coaches fully expect the slalom runs to be the best in North America for summer training because permission has been granted for the courses to be hardened with salt.

YOUR HEADQUARTERS: "THE RESORT AT THE MOUNTAIN"

Rigorous workouts are balanced by plenty of rest and relaxation at The Resort at The Mountain in Welches, Mt. Hood,

Oregon. Check out their website below for details on The Resort at The Mountain.

You'll enjoy first-class resort accommodations with pool, tennis and 18 hole putting course, included. 27 hole golf course is extra.

Parents joining their racers will get the same reduced room rate. All rooming requests need to be made to the camp **first**, as early as possible, via email: esailer@skicamps.com or by phone: (612) 850-0468. Provide credit card authorization for accommodations directly to The Resort. Form provided by camp.

OUR RECORD IS SECOND TO NONE.**

A personal note from Erich...

Every camper can expect and will receive the very best coaching, the best lodging, best food and best lanes on the mountain. This is based on demonstration, coaches forerunning, experiencing race like courses, and video analysis. Coaches are the very best I can hire, and we work with all age groups and skill levels, including High School racers. Your training will be an intense six-day session. I'm very aware of the high cost of skiing and ski racing. Compare carefully. I think you'll agree that our camp offers a very productive learning time in an exceptional environment. Dependable hardened snow, more runs, more gates - all contributing to a value-based, affordable camp experience.

Note: parents must accompany juniors below a certain age level—please call me for details.

Erich
